## 32 Year Village Trustee Nancy J. Czarnik Announces Retirement

After 32 years of elected service to the residents and businesses of Elk Grove Village, long-time Village Trustee Nancy J. Czarnik has announced her retirement effective during the November 16 Village Board Meeting.

Nancy first became involved in Elk Grove Village as an appointed member of the Plan Commission on April 25, 1989. When Ed Hauser resigned from the Village Board, Nancy was appointed to fill the opening on November 14, 1989. She has been a Village Trustee ever since, having been elected and reelected 8 times since joining the Village Board nearly 32 years ago. However, her elected service is only part of the Czarnik story of service to the Village.

Nancy's husband Frank Czarnik, for whom an annual college scholarship is named, was first involved as a youth sports coach with the Elk Grove Park District prior to his running for an elected opening on the Park Board of Commissioners. At the time, Nancy was content on letting Frank work the political side as she held down a full-time position as a loan officer with what is now Chase Bank.

However, after living in Elk Grove since 1968 and relocating to her second home in town on

the west side of the Village, Nancy also immersed herself in Village affairs. She first served on the Plan Commission beginning on April 25, 1989, during the high-growth phase of the Village. When the Village needed a west side resident with a business mindset, Nancy was asked by Mayor Charles J. Zettek to join the Village Board, which she did in November 1989. Her impending

## Presidential Visit in Elk Grove Village

*Mayor Craig Johnson Welcomes President of the United States to Elk Grove Village*

President Biden toured the Clayco construction site of the data center and spoke to state and local officials about the importance of COVID-19 vaccinations and his Build Back Better infrastructure agenda. Mayor Johnson was in attendance for President Biden's visit and had several opportunities to meet with and promote Elk Grove Village to the President.

After servicing Elk Grove Village for 32 consecutive years, long-time Trustee and Deputy Mayor Nancy Czarnik has announced her retirement from public service in November 2021.

It has been our honor and privilege to serve with Trustee Nancy Czarnik and she will be missed by all of us.

Upon the announcement of Trustee Czarnik's retirement, her replacement was nominated in order to maintain the governance of the Village during busy and challenging times. Mayor Johnson nominated resident Tammy K. Miller to the Board of Trustees with the Village Board's concurrence, and her appointment will take place November 16, 2021.

## Oktoberfest & Hometown Parade Weekend

Fall in Elk Grove Village kicked off with a successful Oktoberfest Celebration and Hometown Parade the weekend of September 17 & 18.

A huge thank you goes out to the Parade Committee, Elk Grove Rotary Club, our CERT members, VFW, and all of the volunteers who helped make Oktoberfest and the Hometown Parade very successful.

## Police Chief Chuck Walsh Awarded 4th Star

At the September 28 Village Board meeting, we surprised Police Chief Walsh with the presentation of a fourth star for the exceptional work accomplished by the members of the Elk Grove Police Department.

The rank insignia for the Chief of a medium-sized department most often consists of three or four gold stars, similar to the rank designation of a staff officer in military.

## Approved Newsletter Redesign

As you may have already noticed, this issue of the newsletter features a new and improved format and layout! On September 14 at the Committee of the Whole meeting, the Board approved the new layout of the newsletter. The goal of the new format is to improve readability and include more visual elements that catch the eye of our residents and highlight the most important information.

Pictured in front row from left to right are Trustee Christine Prochno, Mayor Craig Johnson, and Trustee Nancy Czarnik. Pictured in the second row from left to right are Trustee Stephen Schmidt, Trustee Jeffrey Franke, Trustee Patton Feichter, and Trustee Samuel Lissner.

## 32 Year Village Trustee Nancy J. Czarnik Announces Retirement

(continued from page 1)

retirement in November 2021 marks 32 consecutive years of service on the Board of Trustees.

During her tenure on the Village Board, Nancy was involved in just about every facet of the community. Most notably, Nancy has been the Village Trustee representative for the Parade Committee since its inception in 1997. Nancy recalls “We truly wanted to do something special for the community during RotaryFest, so we started a night-time parade that featured members of the community and professionally lighted floats.” While the parade has moved back to a daytime event, the annual parade continues to this very day having just celebrated its 23rd anniversary during the Village’s recent Oktoberfest.

Nancy also co-chaired several other festivities, including the 40th Anniversary Celebration, 50th Anniversary Celebration, and the Village’s Camelot on the Green celebration.

On the governance side, Nancy has been involved with just about every Committee of the Village Board and has served as the Village’s first Deputy Mayor since June of 2020. She is the current chairperson of the Capital Improvements Committee as well as the Business Leaders Forum. She has chaired the Health & Community Services Advisory Committee and served as a member of the Community

Service Board. Nancy has also chaired the Judiciary, Planning, and Zoning Committee as well as the Personnel Committee and the Recycling and Solid Waste Committee.

Moreover, Nancy has served on the Board of Directors of the Joint Action Water Agency as well as the Board of Directors of the now defunct TRANSPART.

Finally, Nancy has been a member of the Liquor Commission, Gaming Commission, Labor Panel, and Cable

Television Committee of the Village. While doing all of this work, one of her greatest sources of pride was establishing a Community Healthy Nurse position to support the needs of the community.

On her service to the Community, Nancy said: “I am immensely grateful for having had the opportunity to do so and appreciative of the tremendous success that we have achieved during our time. With a milestone birthday coming up at the end of October and children/

grandchildren still living in the Village, I felt it best to leave office on a high-note after 32 amazing years. I want to thank everyone for their confidence in reelecting me and their ongoing support as we accomplished so many wonderful things for the Elk Grove community. While I plan to live in Elk Grove for many years into the future, I leave office knowing that the community is on solid ground and in good hands.”

Regarding the retirement of Trustee Nancy Czarnik, Mayor Craig B. Johnson commented:

“Nancy has been a voice of reason, respect, and integrity for longer than I have been on the Village Board. She has a strong business acumen combined with a charming personality that made her highly successful in accomplishing so very much during her tenure. The citizens of Elk Grove Village have benefitted tremendously from her work over 5 different decades of Village service. I am personally grateful to have had her experience, advice, and counsel on the Village Board and, while inevitable, I am personally sad to see her retire.”

In total, Nancy Czarnik served with 3 Mayors, 11 Village Trustees, and 3 Village Managers. She attended 649 Village Board meetings; adopted 1,859 Village Ordinances and 1,989 Village Resolutions. ■

## Halloween Trick-or-Treating Hours & Information

The Village wishes to ensure the safety and tradition of a Happy Halloween. We understand not everyone may feel comfortable with trick-or-treating again this year. Similar to last year, the Village has created green and red signs for residents to place in their windows or visible areas for trick-or-treaters to identify whether you are welcoming them or not.

**Green = Yes, Red = No**

**You determine whether trick-or-treating is a go!**

Those interested in participating in trick-or-treating are asked to turn on porch or outdoor lights and place the green "Trick-or-Treaters Welcome" sign on your window or door. Those who are not interested, are asked to keep outdoor lights off and place the red "No Trick-or-Treaters, Please" sign on your window or door.

**Trick or Treating will be permitted in the Village on Sunday, October 31 from 3:00 p.m. to 7:00 p.m.**

Trick-or-treaters are asked to please take note of the green and red signs posted in the Village, and only approach houses with a green sign indicating they are participating this year. Please be respectful of others and their decisions to participate/not participate in trick-or-treating this year.

Please see pages 5 and 6 for the green and red signs available for residents to post in a visible location.

Additional information about Halloween and trick-or-treating can be found online at [elkgrove.org/Halloween](http://elkgrove.org/Halloween).

Have a safe & spooky Halloween! ■

As a reminder, Waste Management (WM) will collect their carts following residents' normal collection days during their last week of service (10/25-10/29). Residents are asked to leave their WM carts at the curb after their garbage and recycling has been picked up. It may take a few days for WM to collect the carts, and residents are asked to leave their carts at the curb until they have been collected.

For a short period of time during the cart transition, residents may have both Groot and Waste Management carts. Although the Village requires garbage and recycling cans to be kept in a garage or on the rear or side yard of any properties, enforcement will not be take place during the weeks of the cart switch out (10/18-10/29).

## Updated Transition Timeline

# Renovations Approved for Clock Tower Plaza and Veterans Memorial Park

The Village Board has approved a two-phase renovation project for the Village's Clock Tower Plaza and Veterans Memorial Park. These community features were both originally dedicated in 2002 as part of the Village's Residential Enhancement Program. This renovation project will revitalize these distinctive community spaces by updating aesthetics, enhancing landscaping, and improving accessibility.

The first phase of the project consists of improvements to the Clock Tower plaza, located at 901 Wellington Avenue. The Clock Tower serves as the centerpiece of the community and an anchor to the Village Green, a public gathering space centered among the Village's governmental campus.

Improvements to the Clock Tower Plaza will address necessary repairs and update the walkways and landscaping. The brick pavers and planter boxes around the Clock Tower have been damaged by overgrown roots from plantings originally installed almost twenty years ago. In addition to repairing the brick pavers around the plaza, the raised planter beds will be removed and replaced with deciduous and evergreen shrubs, perennials, and ornamental grasses. The project will also include improvements to ADA accessibility around and through the plaza. This first phase of the project is anticipated for substantial completion by the end of 2021.

Phase two of the project will be the renovation of Veterans Memorial Park, located at the northeast corner of Wellington Ave and Biesterfield Road. This Park is dedicated to the men and women who have selflessly served our nation through the Armed Forces and represents a special area of remembrance in our community.

The renovations of Veterans Memorial Park will provide a more modern look as well as establish a more distinct and secluded space for reflection and remembrance. The updated layout will feature a memorial wall, seating areas, and a redesigned garden. The new memorial wall, which includes waterfall and bubbler fountains, will proudly display bronze military seals from all branches of the U.S. Armed Forces. Parking spaces will also be added to improve accessibility. As part of the renovation, the Fallen Soldier Memorial Statue, dedicated in 2005 to the memory of four young soldiers who died fighting the War on Terror, will be relocated from Village Green to a place of honor within Veterans Memorial Park. The second phase of the project will begin and be completed in 2022.

Renovations to the Clock Tower and Veterans Memorial Park are funded through the Residential Enhancement Fund. Established in 2001, the Residential Enhancement Fund provides dedicated resources for continuous enhancement to public areas of the Village, including addressing aging infrastructure and reinvesting in shared public spaces. ■

## Mikerphone Brewing Presents Donation to A Caring Place

At the Village Board Meeting on September 28 Mike Pallen, owner of Mikerphone Brewing presented a check for \$4,296 to Marge Hart and Pastor Stefan Potuznik from Christus Victor Church in support of the A Caring Place respite program. A Caring Place provides temporary relief for caregivers and families who are caring for adults with cognitive or physical impairments.

These funds were raised through Mikerphone's 90's Block Party event this summer. Over the past five years, Mikerphone' has raised over \$58,000 for community organizations by co-hosting events with the Village.

Mikerphone initially approached the Village about hosting a fundraising event on Garlisch Drive outside their brewery to raise

money for local community organizations back in 2017, shortly after they opened for business. Past recipients of their fund raising efforts have included the Elk Grove Village VFW, the Elk Grove Youth Committee, and the Community Character Coalition.

The Village is proud to partner with Mikerphone Brewing for annual events, and is grateful for their continued support of the community. ■

## Branch Disposal

The Village appreciates our resident's efforts to maintain their property and recognizes that disposing of branches may be difficult. Therefore, the Village offers residents a way to dispose of small and large branches.

### Small Branch Disposal

For small branches, branches less than 3 ½ inches in diameter and no more than 4 feet in length. Residents can simply put the branches into bundles, no more than 2 feet in diameter and less than 50 pounds, with biodegradable twine or string and leave them near the curb for Groot Haulers to pick up on garbage day.

This service is only offered from April 1 through December 15. No sticker is required for brush or tree trimmings as long as they are bundled properly.

### Large Branch Disposal

For large branches, branches 3 ½ to 8 inches in diameter from all trees and bushes except evergreens, residents must contact the Public Works Department prior to the start of the Fall Large Branch Collection Program or the Spring Large Branch Collection. Large branch collection typically occurs during the last 2 weeks of April for the spring collection and the last 2 weeks of September for the fall collection.

Please visit [elkgrove.org/branchcollection](http://elkgrove.org/branchcollection) for program rules, and watch for dates in spring 2022 for the next large branch collection.

If you have any questions or concerns, please contact the Public Works Department at 847-734-8800. ■

## Curbside Textile Recycling Program - Simple Recycling

The Village's curbside textile recycling program, Simple Recycling, offers a convenient and environmentally friendly way to keep textiles and small household items out of landfills. Without a curbside textile recycling program, 85% of clothing and other materials would be thrown into a landfill.

Residents who receive curbside refuse and recycling services can participate in this free program by placing clothes and small household items in orange Simple Recycling bags and leaving them on their curb on regular garbage and recycling collection days.

For more information, please visit [elkgrove.org/recycling](http://elkgrove.org/recycling). ■

## Aging-in-Place Remodeling Tips

More retired adults are choosing to "Age in Place" as technology makes it easier to stay in their homes and live independently instead of moving to alternative senior living communities.

Aging in Place allows you to maintain the friendships and community ties that you've created and gives you the ability to make design decisions that best meet your changing needs. When planning your next remodeling project, consider doing the following renovations:

- ✓ Widen doorways or install pocket-doors.
- ✓ Install comfort height toilets, grab bars, step-through tubs, and showers with no curbs.
- ✓ Add outdoor ramps to the front or rear of the home.
- ✓ Consider installing a chair lift to aid mobility when stairs are a concern.
- ✓ Think about installing electronic door chimes that sound throughout the home.
- ✓ Install blade handles or motion controls on faucets.
- ✓ Update flooring to reduce tripping and slipping hazards.
- ✓ Replace traditional round door knobs with lever style handles for easier gripping.
- ✓ Add additional lighting to illuminate dark areas.

If you're considering making some of these changes, please contact the Community Development Department at (847) 357-4220 for information on permit and inspection requirements and to help answer any questions. ■
