

VILLAGE OF ELK GROVE VILLAGE

Prequalification for
BIESTERFIELD BASIN OUTFALL IMPROVEMENTS
Work History Statement

This form must be completed in its entirety. Incomplete information may result in rejection. It is in the best interest of your firm to ensure that contact names and telephone numbers are accurate. Inaccurate information will be considered a negative response. Submit copies of any certifications or licenses requested as appropriate. Ancillary or supplemental information may be submitted with this form, after the form has been completed.

Name of Company

Name / Title

being an authorized representative of said company hereby certifies that all statements made in this Work History Statement are made on behalf of the undersigned Contractor in support of its Prequalification Statement for: the installation of 15" storm sewer and site grading. Work includes but is not limited to: storm sewer installation and abandonment, earth excavation of a detention basin, landscape clearing and restoration; and all other appurtenant work necessary to complete the project within Village limits all in accordance with the enclosed Specifications and Contract Document PW-2324-15. Prospective bidders are advised to carefully review the General Conditions, Special Conditions, Special Provisions and Plans of this document.

I, _____, have carefully prepared, reviewed and checked this Work History Statement and certify that the statements contained in this Work History Statement are true and correct.
