

## Special Events Application

### **To the Applicant:**

Anyone who intends to host a Special Event within the corporate limits of the Village of Elk Grove Village must first complete this application in its entirety.

Please read the entire form and complete every section as thoroughly as possible. If you have any questions, please call Village Manager's Office at (847) 357-4010.

December 1, 2014

Thank you for considering the Village of Elk Grove Village as the venue for your event!

The variety of events held in the Village of Elk Grove Village are instrumental in maintaining our hometown community feel toward our goal of Elk Grove Village being “The Exceptional Community.”

Special events enhance the quality of life for our residents, promote tourism, showcase local talent, draw first-time visitors, and strengthen our community’s character.

This guide is designed to assist you with planning your event. It will help answer your questions and provide background information for each of the spaces on the event application. The guide includes additional forms that may be required. For your convenience, the numbers on the tabs of this guide correspond to the numbers on the event application form. The guide also includes background material regarding regulations that may apply to your event.

Please use this guide to complete as much of the application as possible. Once you have done that, simply drop off the application at Administration Counter located on the second floor of the Municipal Building. You will then be contacted by the Staff Liaison assigned to your event. The Staff Liaison will guide you through the process to help assure your event is a success.

We look forward to working with you to help create an event to be remembered!

Sincerely,  
Mayor & Board of Trustees

# GENERAL INFORMATION

Thank for your interest in hosting your Special Event in Elk Grove Village. We are committed to making the Special Event application process as efficient and smooth as possible. Our staff will work with you along the way, advising you on available resources, and assisting you in any way possible to ensure a successful event.

## KEY POINTS

This packet contains all the necessary applications and permits necessary for hosting an event within Elk Grove Village. Some key points to keep in mind:

- Applications must be fully completed and returned along with the appropriate applications fee **at least 60 days (2 full months) before the event date.**
- Applications that do not follow these guidelines will be denied.
- Applications are reviewed on a first come first served basis, therefore, if your event date or location was approved to another organization you will have to choose an alternative. To avoid this, please send in your completed application as soon as possible.
- Final layouts need to be submitted 30 days prior to the event.
- Liquor License Applications must be submitted 60 days prior to an event.
- Multiple large events will not be approved on the same day due to resources and safety issues.
- Applications can be returned to the Administration Counter located on the second floor of the Municipal Building, or they can be sent to:
  - Village of Elk Grove Village
  - Attn: Village Manager's Office
  - 901 Wellington Avenue
  - Elk Grove Village, IL 60007
- Applications will be reviewed by a cross departmental team.
- All contact regarding an event will be handled by the Village Manager's Office.
- Other applications or agreements may need to be completed during the permit review process.
- If your event is on private property a Temporary Use Application will need to be completed from the Department of Community Development, in addition to the Special Events application.
- The Village Manager reserves the right to deny a permit as deemed appropriate by the Village, including but not limited to lack of parking, conflicting events, outstanding financial obligations, failure to meet deadlines, and past event history.
- If the application has been approved, a permit will be sent to the organization's contact on the permit application.
- At anytime throughout the permit process, if there are any questions or concerns please contact the Village Manager's Office, at (847) 357-4010 or [specialevents@elkgrove.org](mailto:specialevents@elkgrove.org).

# SPECIAL EVENTS APPLICATION PROCESSING PROCEDURES

## I - INITIATION:

The following procedures are necessary for a completed petition for a Special Events Permit:

### A. Documents required (**2 Packets of all submitted information**):

1. **Letter of Transmittal** requesting to hold the Special Event and explaining the purpose of the Special Event.
2. **Petition** (attached) completed in full.
3. **Secondary Applications/Forms** necessary to perform the Special Event.
4. Detailed **Site Plan** if applicable.
5. Any additional supporting documents for the petition.

### B. Fees:

Submit a check made payable to the Village of Elk Grove Village to meet the following:

1. **\$50.00**: Special Events Application Fee payable upon approval by the Village Board.
2. **Additional Fees** as necessary as part of Secondary Application/Forms.

Documents and fees are to be submitted to the Village Manager's Office, 901 Wellington, Elk Grove Village, Illinois 60007.

## II - REVIEW AND PROCESSING:

Upon receipt of the petition for Special Events and fees, the Village Manager's Office will:

1. Examine the request for compliance with the above requirements for information, documents and fees. Incomplete inquiries will be returned to the petitioner for their action. Step "2" will occur when all petition requirements have been fulfilled.
2. Distribute petition and required documents to a cross departmental team to review and comment on the application. The cross departmental team will meet within 10 days to draft written comments that will be provided to the applicant.
3. Should comments exist, they will be communicated to applicant as part of a planning meeting for correction and revised plans.
4. Should a meeting with the applicant be necessary, the cross department team may discuss the following with the applicant:
  - a. Need for additional applications/petition;

- b. Review issues, concerns, and additional information;
  - c. Review schedule and whether additional approvals and applications/petitions are still needed; and
  - d. Set a date for re-submittals or additional meetings.
5. When the application is determined to be complete by the cross department team, the petition will be presented to the Board of Trustees for consideration.

### **III - FINAL ACTION:**

Upon receipt of the recommendations from the cross departmental team, the Mayor and Board of Trustees at a Village Board Meeting will:

1. Approve the request with or without modification;
2. Return the request back to staff for further review and consideration or
3. Deny the request.

### **IV – AFTER ACTION REVIEW:**

Upon completion of the Special Event, the cross departmental team will assess the event and take the following actions:

1. Recap meeting with affected departments and Event Manager to discuss open issues.
2. Review expense summaries.
3. Determine expense reimbursements/disbursals.
4. Recommendations for future events.

# INSTRUCTIONS FOR THE SPECIAL EVENTS APPLICATION

1. **Description of Event:** As best you can, describe your event.
2. **Date of Event:** Please note for event dates: remember to include days for on-site set-up and dismantling, if needed.
3. **Rain Date:** Fill in the rain date, if you have one.
4. **Hours of Event:** Please note for event times: if possible, separately note the extra time that will be needed for set-up and dismantling.
5. **Location of Event:** List the address of the event, or a description of the location, if there is no known address.
6. **Name of Event Manager:** The Event Manager is the main coordinator and contact person for the event. This is the person that will be contacted by, and will work with, the Staff Liaison from the Village.
7. **Event Manager Contact Information:** This should be the Event Manager's home address, daytime phone, emergency phone, and email address. If you wish, check one box for "preferred means of contact".
8. **Name of Sponsoring Organization(s):** The Sponsoring Organization is the person, company, group or organization conducting the event. For events that are co-sponsored with the Village, put the name of the partnering organization in this blank.
9. **Sponsoring Organization Information Sheet:** Each sponsor(s) of the event will fall into one of the four categories listed below. There is a different type of information sheet for each different category of sponsor. Once you have determined which category or categories apply, please complete the appropriate information sheet(s) and attach to the application.

## Not-for-Profit Organization

Most civic groups and associations are not-for-profit organizations. Not-for-profit organizations are also known as "501-C-3" organizations. (This refers to the section of IRS law that grants them tax-exempt status.) For not-for-profit organizations, a copy of the tax exempt letter must be attached to the Sponsoring Organization Information Sheet. Not-for profit organizations may be eligible for waivers of certain fees.

## Other Organization

*True* not-for-profit organizations are registered with the Internal Revenue Service and have a tax-exemption number. Sometimes there are civic groups and other organizations that function in ways similar to a not-for-profit organization, but who have not formally organized, or have not obtained tax exempt status. Unfortunately, such groups are usually not eligible for the same waivers as a true not-for-profit. In order to benefit from

true not-for-profit status, such groups will either need to find a true not-for-profit organization to sponsor their activity, or will need to obtain true not-for-profit status themselves.

#### Corporation

A corporation is a limited liability for-profit company incorporated under IRS law. Because corporations normally function on a for-profit basis, the Village requires certain information about the corporation, its officers, and any parties that may benefit financially from the special event.

#### Partnership

A partnership is another type of for-profit company formed in accordance with law. Because partnerships normally function on a for-profit basis, the Village requires certain information about the partnership, the partners, and any parties that may benefit financially from the special event.

#### Individual

An individual is a private person or any party that does not fit into one of the above categories.

- 10. Is the Event a Fundraiser?** If the event is intended to raise any funds for any organization, check “Yes”, and attach a “Benefitting Organization Information Sheet”. If there are more than three (3) organizations that will benefit from the event, please attach additional sheets. Please note: For any organization that is a not-for-profit organization, a copy of the tax exempt letter must be attached to the “Benefitting Organization Information Sheet”.
- 11. Is the event a parade or racing event?** If your event is a parade or racing event, it will be important to attach a map of the proposed route, so that the Staff Liaison can work with you to help assure that the route is effective and safe, and causes the least inconvenience to others. Please note that parades or runs generally require significant staffing. See also No. 25.
- 12. Will the event require a public street, sidewalk, or public parking lot to be blocked or closed?** Closing or blocking a public street, walk, or public parking lot has public safety and labor/material implications. If you are proposing a blockage or closure, there may be a need to coordinate safe passage/detours for pedestrians/vehicles, barricades, traffic control, and county and state (IDOT) permits (if the following are to be blocked: County - Arlington Heights Road (south of Higgins), Devon Avenue, Landmeier Road, Meacham Road, Nerge Road, Plum Grove Road, and State - Elmhurst Road, Busse Road, Rohlwing Road, Arlington Heights Road (north of Higgins) and Higgins Road.).  
  
If necessary, in order to give an accurate picture of any public streets, sidewalks, or public parking lots that will need to be blocked, you should attach a map. The Staff Liaison will work with you to create a final plan and to obtain county/IDOT permits, if necessary.
- 13. How many trash receptacles will be provided and at which locations?** Typically, trash receptacles are necessary at most events. The Village has a franchise agreement for

refuse disposal with Waste Management. You will need to contact Waste Management at (800) 796-9696 to schedule one or more special pick-ups during and/or after the event. The number of necessary refuse collections will vary based on the nature and length of the event. Any refuse needing to be removed that you do not take care of, will be taken care of by the Village. If this occurs, you will be charged for Waste Management pick-up, as well as Village administrative costs.

**14. Will the event require portable sanitation facilities?** Typically, portable sanitation facilities (portable toilets) are necessary if serving food or drink is a significant part of the event. Also, the county health department may require hand washing facilities for those engaged in food preparation. For more information on county requirements, contact the health departments at:

- Cook County Health Department: (847) 818-2853
- DuPage County Health Department: (630) 682-7400

As with #11 above, if you plan to have portable sanitation facilities, you should attach a map, to provide an accurate description of their location.

(Note: See #21 for more items that may involve county health department approvals/inspections)

**15. Will the event require electrical service?** If you plan on using electricity for the event, please specify the size of electric service needed and the proposed source (generator or other). Please provide a map of the electrical installation, particularly if there will be multiple power cords involved in providing service.

**16. Will the event require water?** If you plan on using water for the event, please specify if it will be provided by individual bottles, volume service or other means. Use of a Village fire hydrant is prohibited.

**17. Will the event require sound amplification of any kind?** : “Sound amplification” is any use of speakers, microphones, bullhorns, public address systems, etc., to amplify sound. If the amplified sound will be audible anywhere beyond the edges of someone’s private property, a sound amplification permit is required, and there are restrictions on the hours of the amplified sound. Most events using any type of amplified sound require a sound amplification permit, and ALL events using amplified sound on public property require the permit.

Unless a waiver is granted, amplified sound is limited to the following hours:

- Monday – Friday 10:00 a.m. to 8:00 p.m.
- Saturday, Sunday and holidays 10:00 a.m. to 10:00 p.m.

Unless a waiver is granted, the fee for a sound amplification permit is \$100.

**18. Will the event hold a raffle of any kind?** : If the event includes a raffle, a raffle license is required. Please complete the raffle license application.

**19. Will the event require tents or other temporary structures?** : Aside from tents, temporary structures include such things as stages and grandstands. (Note: please do not include portable sanitation facilities as temporary structures—they are addressed as question # 12 of the special event application.)

A permit is needed for tents and other temporary structures, to help assure they are safe and do not block travel paths for pedestrians and emergency personnel. The application is enclosed. If necessary, please attach a map to the application, indicating the location(s) of the temporary structures.

A pedestrian travel path at least 6 feet wide, adjacent to or exiting from any temporary structure is required. On your location map, please indicate the minimum clearances that will be maintained for pedestrian travel.

Note also that for tents, a Certificate of Flame Retardancy is required. Your tent supplier can provide you with this certificate.

If you plan to install lighting or other electrical facilities in your temporary structures, please indicate so, and provide information regarding the electrical power source.

Sometimes, an inspection of tents or other temporary structures may be necessary prior to their use, especially if temporary electrical is involved.

Unless waived, there is a \$25.00 fee for tents and temporary structures.

**20. What signs/ advertising do you anticipate needing for the event?** : There are 5 different types of signs that might be associated with a special event. Each type requires an application. Additionally, certain events may be permitted to advertise on both Channel 6 and the Village's community events sign.

1. Electronic community events sign: Not-for-profit organizations and charitable and/or civic groups may be allowed to advertise events on the electronic community events sign. Content should serve to strengthen community identity of Elk Grove Village as a "great place to live, work, and play" and should have community wide appeal. Events such as religious services, membership drives and school registrations (i.e. events that do not meet the qualifying criteria), will not be permitted on the electronic community events sign. All advertising is subject to the approval of the Village. Announcements may be displayed for up to 7-days prior to an event.
2. Channel 6/Website: Not-for-profit organizations and charitable and/or civic groups may be allowed to advertise events on Channel 6 and the Village's website. Content should serve to strengthen community identity of Elk Grove Village and should have community wide appeal. All advertising is subject to the approval of the Village. An application is enclosed.

Please forward this application along with any artwork, logo, or information pertaining to the event to [specialevents@elkgrove.org](mailto:specialevents@elkgrove.org). Once the information is received, allow 7-days for posting of the information to Channel 6. *For quicker*

*response time*, the following should be submitted electronically: one or two PowerPoint slides, landscaped (8 ½ x 11), with 1/2” margin around the edge, with a minimum font size of 32. The best way to design a slide is to remember that it needs to be viewed on television – and needs to be simple and clear for best public viewing.

3. Temporary community event signs: Temporary signs shall be limited to thirty two (32) square feet in area, one sign per lot, or two signs on each street frontage for corner lots, and shall conform to section 8-4-4 “General Provisions and Restrictions Applying to All Zoning Districts” of the Elk Grove Village Sign Ordinance. Signs may be displayed up to 7 days before the event and must be removed within 24 hours after the event. A temporary community event sign application is enclosed. Please be sure to be specific regarding the proposed locations of your temporary signs.
4. Temporary Neighborhood event signs: Signs not exceeding twelve (12) square feet in area located on private property with the consent of the owner shall be permitted. Signs may be displayed up to 7 days before the event and must be removed within 24 hours after the event. No permit is required.
5. Temporary directional signs: You are permitted to have temporary directional signs for your event, provided the signs are for the purposes of controlling ingress and egress or providing parking information/traffic control. The signs may be on any lot, and may be no larger than 4 square feet in area. The signs may be no more than 6 feet high, unless authorized by the zoning official. An application is enclosed.

**21. Will food be served or sold at the event?** Anyone selling food in the Village of Elk Grove Village must obtain a food vendor license from the Village. Food vendors are also subject to county health department inspections prior to opening, and on a regular, ongoing basis. If you utilize existing licensed Village of Elk Grove Village food vendors for your event, they do not need to obtain any additional or special license for the event; however they do need to arrange for the county to inspect their equipment and/or event set-up. A two-week notice requirement is required. If you bring in non-Village licensed food vendors, they must obtain a food license for the event. Please note that new Village food vendor licenses are not issued nor valid without proof of the vendor having passed a pre-opening inspection by the county, so this will have to be carefully pre-planned and arranged for your event, if you bring in outside food vendors. For more information on county requirements, contact the health departments at:

- Cook County Health Department: (847) 818-2853
- DuPage County Health Department: (630) 682-7400

(Note: See #14 for more items that may involve county health department approvals/inspections)

**22. Will alcoholic beverages be served or sold at the event?** If alcoholic beverages are to be served or sold at a special event, a Village liquor license is required. Establishments holding a valid Village of Elk Grove liquor license must provide a rider to the

establishment's dram shop insurance to cover the off-site sales/service. The rider must name the Village of Elk Grove, its officials, employees, agents and volunteers as additional insured. The establishment must also comply with certain State of Illinois requirements.

Establishments that do not hold a valid Village of Elk Grove liquor license may not sell alcoholic beverages at a special event without obtaining a Village of Elk Grove temporary liquor license. Not-for-profit organizations may request a fee waiver. A certificate of dram shop insurance must be provided, naming the Village of Elk Grove, its officials, employees, agents and volunteers as additional insured.

Anyone selling or serving alcoholic beverages at a temporary event must complete the enclosed application for a temporary event liquor license.

- 23. Will the event include vendors selling products?** If you have vendors selling products as part of the event, please complete a Vendor Information Sheet. This helps assure that sales tax is properly reported to the State of Illinois. If there are more than three vendors, attach additional sheets, as necessary.
- 24. Please state what provisions have been made for first aid and emergency medical services, if any:** Certain events (especially parades, races and other similar events) require the provision of first aid or emergency medical services. Please note that the Village reserves the right to require that certain Village safety and other personnel attend the event, and that certain Village equipment be provided. In association with the personnel and material we may require, we reserve the right to invoice the Sponsoring Organization accordingly. If you are planning to provide any such services yourself, please indicate so. It is likely that the Village will require the applicant to submit a safety plan for severe weather sheltering or how they will clear the area in the event of an emergency.
- 25. Number of persons scheduled to monitor and work the event:** Please give us an idea of how you will staff the event. Please note that for parades and racing events, you should plan on providing a minimum of four workers at each intersection. The Village reserves the right to require that certain Village public safety and other personnel attend the event, and that certain Village equipment be provided. In association with the personnel and material we may require, we reserve the right to invoice the Sponsoring Organization accordingly. If you are planning to provide any such services yourself, please indicate so.
- 26. Estimated attendance:** The number of people attending the event will dramatically impact the need for event and/or Village staff and materials. Your best estimate of the number of attendees will help you and the Village plan for maximum success of the event.
- 27. Please state the Village services or equipment that will be needed or are requested for the event:** As you can see from the enclosed Special Event Labor and Materials Schedule, there are fees for the use of Village services and equipment. These fees apply, unless waived.

Please note that the Village reserves the right to require that certain Village safety and other personnel attend the event, and that certain Village equipment (such as barricades) be provided. In association with the personnel and material we may require, we reserve the right to invoice the Sponsoring Organization accordingly.

- 28. Certificate of Insurance attached?** For events certificate of insurance, naming the Village of Elk Grove Village, its officials, employees, agents and volunteers as additional insured, is required for use of the Village right-of-way or property. The staff liaison will assist you with the coverage limits required for your event.
- 29. Statement of Other / Previous Permits and/or Offenses attached?** : This form is required for all special events that utilize Village rights-of-way or property. Please complete the form and attach it to your application.

## TEMPORARY FOOD VENDING

### INSTRUCTIONS & APPLICATION

Please read the instructions below, complete the backside of this sheet. Feel free to contact Health Services at (847) 357-4240 for any questions you may have regarding this form.

1. Temperature requirements: Hot foods must be held at **135° F** or above; cold foods at **41° F** or below. A calibrated food probe thermometer (0-220° F range) must be provided for checking hot and cold temps. \*Note: Unpasteurized products **MUST** adhere to proper holding temperatures. Warning labels must be included on these products.
  - Mechanical refrigeration and/or freezers shall be required to store all cold potentially hazardous foods. Coolers contained with food **packed** in ice will only be allowed if **41° F** can be continuously maintained on the product.
  - Appropriate equipment for holding hot food must be provided. **STERNO is not acceptable at outdoor events.**
  - An internal thermometer must be contained in each cooler, freezer or hot holding unit.
  - Hot and/or cold, transported foods must be held at proper temperatures.
2. A hand washing station must be provided for each booth (no sharing allowed!). This includes a jug or container with a toggle valve contained with clean water and a catch bucket for the wash water. Liquid hand soap and paper towels must be included.
3. Three buckets (wash, rinse, sanitize) are required for washing equipment on-site. Buckets are to be each labeled and covered. This set up is not required if a 3-compartment sink is on-site and available for immediate use.
4. An additional bucket or spray bottle of sanitizer must be provided for sanitizing food contact surfaces. Only approved sanitizers are to be used (chlorine or quaternary ammonia) and corresponding test strips are to be provided.
5. All foods individually wrapped must meet labeling requirements. At minimum: include the common name, source information (where manufactured), and ingredients.
6. Cut produce must be washed prior to preparation. Once prepared, cut produce must maintain **41° F** or below.
7. A tent must be provided over each booth providing protection against inclement weather.
8. All open food must be properly covered.
9. Sample foods must be provided with proper handling devices (tongs, toothpicks).
10. All supplies including food, single service items and food service equipment are to be stored off the ground. Provide appropriate storage equipment for this.
11. Condiments must be stored in bulk, pump-type containers or individual packets.
12. All booth operators must wear **effective** hair restraints. **No hand/wrist jewelry allowed.**
13. Provide cleanable, lined garbage containers with lids for proper disposal of garbage.
14. Maintain an orderly booth as well as removing all garbage and spills within the booth.
15. **NO ANIMALS OR SMOKING ALLOWED IN OR AROUND FOOD BOOTHS.**

# ELK GROVE VILLAGE EGTV / CHANNEL 6 & COMMUNITY MESSAGE BOARD APPLICATION & POLICY

EGTV will accept the attached form as the sole method to request to display messages on the Channel 6 Program Guide (message board) from other governmental or not-for-profit entities based in Elk Grove Village or events of a non-profit entity taking place in Elk Grove Village. All sign requests must be made at least seven (7) days before the requested posting date. The Village reserves the right to edit all messages. EGTV will utilize the following policy guidelines for determining the display of messages:

1. As with regular EGTV programming, municipal messages and information will always be first priority, followed by EGTV programming information and then information from other entities as time and space permit. Messages will be posted on a first come-first served basis.
2. Messages must be of general interest to the community. No personal messages will be posted.
3. Non-profit organizations that serve Elk Grove Village residents may submit messages utilizing the attached form. EGTV will not guarantee that the message will appear on the program guide or for how long it will appear, although every effort will be made to do so. The correct spelling of proper names and places and correct dates and information are the responsibility of the submitting entity and not of EGTV. Messages will be edited by EGTV staff for time and space considerations.
4. No religious or political messages will be posted.
5. Displays must be of interest to the general community and to large numbers of persons.
6. No solicitation of funds is allowed except for EGTV's own purposes.
7. There shall be no displays on the message board pertaining to commercial sponsored interests even when such a request relates to a charitable function. Corporations may sponsor programming on Channel 6 and that sponsorship will be acknowledged at the start of the program. Program sponsorship will not be acknowledged in the Channel 6 message board. No for-profit advertising is allowed on Channel 6.
8. EGTV reserves the right to preempt approved messages and reschedule the messages to a later date.
9. All messages originating from operating departments are to be approved by the Village Manager's office.
10. Messages found to be in violation of the above guidelines will be pulled off immediately.

All decisions concerning programming issues will be coordinated by the Village's Cable Production Coordinator in conjunction with relevant Village officials, who have ultimate responsibility.
