

VILLAGE OF ELK GROVE VILLAGE  
DEPARTMENT OF PUBLIC WORKS

**Qualification Based Selection Policy & Procedures for**  
**Engineering and Professional Services**

**Lively Boulevard (Devon Avenue to Landmeier Road) Improvements**

The Village of Elk Grove Village advertised on September 14, 2018 for Phase III Engineering Services for the Lively Boulevard Improvements. Statements of Qualifications were thoroughly reviewed and evaluated in accordance Village's Qualification Based Selection Policy and Procedures, in compliance with IDOT and the requirements of 23 CFR 172 and the Brooks Act. The selection of the proposed project team was based on each firm's technical approach, experience and capability, workload, past performance and local presence. The top three firms were the following (in alphabetical order);

1. Civiltech Engineering, Inc.
2. Hampton, Lenzini and Renwick, Inc.
3. Primera Engineers, Inc.

The Village of Elk Grove Village will recommend the selection of Hampton, Lenzini and Renwick, Inc. for the Phase III Engineering services needed for the project based upon the criteria above.
