Qualification Based Selection Policy & Procedures for
Engineering and Professional Services

Wellington Ave Bridge over Lake Cosman & Leicester Rd Bridge over Lake Cosman

The Village of Elk Grove Village advertised on September 14, 2018 for Phase I Engineering Services for the Wellington Ave Bridge over Lake Cosman & Leicester Rd Bridge over Lake Cosman Improvements. All seven proposals received were thoroughly reviewed and evaluated in accordance Village's Qualification Based Selection Policy and Procedures, in compliance with IDOT and the requirements of 23 CFR 172 and the Brooks Act. The selection of the proposed project team was based on each firm's technical approach, experience and capability, workload, past performance, and local presence. The top three firms our (in alphabetical order):

1. Baxter & Woodman, Inc.
2. Civiltech Engineering, Inc.
3. Engineering Resource Associates, Inc.

The Village of Elk Grove Village will recommend the selection of Baxter & Woodman, Inc. for the Phase I Engineering services needed for the project based upon the criteria above.
